Romans 5:12-15

Matthew 10:26-33

*Fear no one.*

I can only imagine what the world might be like if fear were not the motivating factor. We invest billions of dollars in weapons because of fear. We build walls around cities and around our hearts because of fear. We fail to share or give because of fear. How else does fear rule our world? How does fear rule our personal life? What would you do today if you were not afraid---of something?

*Ultimately we know deeply that the other side of every fear is a freedom.*
